HORNETS FROM HOME

August 17, 2020

Hello Everyone:

First, I would like to thank all of you for contacting me with your questions today. I would also like to thank our families who came out tonight to pick up Chromebooks. Don't forget to check our Hornets from Home web page for information https://central-montcalm.org/our-district/hornets-from-home-virtual-program/

Here is where we stand at of tonight:

All of our middle school students who were completely enrolled at Central Montcalm received an email last night with their Edgenuity login and password. If their enrollment was not complete, their Edgenuity email will be coming soon once we have their email and password.They can begin working on their courses tomorrow.

We are still working to enroll all of our HS students. This takes much longer because each student has a different schedule. We also have to email each student separately with their login and password as there is no way to send a private bulk email to students with that information. We have assigned another person to help finish enrollment.

We thought we would have K-5 done today, but the Edgenuity Student Information System where we log students in went down and we don't know when we'll be able to get back in to finish enrolling students.

I know you are frustrated. I hear you and I am doing everything in my power to get our students set-up to begin the school year.

I have been getting a lot of questions on how students login into their Chromebooks. They login in with their student email and password, however, many don't remember their school email and password or they don't have one yet. I will be working with another staff member tomorrow to email each of you your child's email address and password. This has to be done individually as there is no way to send a bulk email with that information.

Our mentors have been selected and some are finishing their employment paperwork. Once mentors have been assigned to students, they will send an email introducing themselves.

In the meantime, ALL K-12 Hornets from Home students must complete these two tasks:

1. Please click on this link and complete the form https://forms.gle/4rdJ3c9CL9tZPC3G6. Parents - if your child doesn't know their school email address or hasn't completed it yet, please help them. This task is due Tuesday, August 18, 2020 by 5 p.m.

2. Send an email to hornetsfromhome@central-montcalm.org and answer these two questions: What is one thing you enjoy about school? What is one thing you are hoping to learn this year? This task is due Thursday, August 20, 2020 by 5 p.m.

I will continue to update you as we progress with the Edgenuity enrollment process. Please keep checking your emails.

Thank you.

Julie Milewski
