Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Central Montcalm Middle-High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Charity Stephens, Principal, for assistance.

The AER is available for you to review electronically by visiting the following website https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S,6276,1001,103, or you may review a copy in the main office at your child's school.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given. Our school has not been given one of these labels.

Our school is working to address the gaps in test scores with subgroups such as students with disabilities. We are continuing to make sure 80% of our students are successful with behavior. We are continually working on improving our curriculum and instruction. Key initiatives to address these challenges are Tier 2 and 3 research based programs, targeted instructional intervention, writing district common assessments for math and English/language arts, and identifying priority standards at each grade level. SWARM and Learning Labs periods are being utilized daily with a focus on social-emotional learning, academic coaching, and relationship building.

Generally, students enrolled at CMMHS are residents of our local district. We do, however, have students who are choosing to enroll from other districts through the schools of choice process.

CMMHS is in the fourth year of the 5-year school improvement cycle. We are focused on the goal of improving student achievement in Reading and Math through implementation of Multi Tiered Systems of Supports.

The philosophy of Central Montcalm Public Schools is to serve each special needs student in the least restrictive environment. A continuum of educational placement options is offered to individuals from birth to age 26. Supportive services and vocational training programs are designed to meet their special needs. Placement options are offered through the cooperative efforts of Central Montcalm Public Schools and the Montcalm Area Intermediate School District. MAISD and local districts combine to operate programs for low-incidence populations. Each district has placement access to categorical programs operated by other districts if appropriate. This allows a complete continuum of services to be made available in an efficient and cost effective manner. Central Montcalm Middle-High School offers programs for students with learning disabilities, cognitive impairments, students with Autism, and emotional impairments.

Our core curriculum follows the Common Core State Standards for ELA and Math and the Grade Level Expectation Curriculum for Science and Social Studies. Accidentally 15% of the student population was represented at parent-teacher conferences; 7% of high school students were enrolled in a post secondary course through dual enrollment. Central Montcalm Middle- High School does not offer any AP/ College equivalent courses.

We are proud of our students and staff for the success that we have had. We are confident that with the ongoing support of our community, we will continue to be successful.

Sincerely,

Charity M. Stephens
