

4/14/20

Message from Mrs. Staten

**Seniors** – Please let me know where you want your final transcripts sent and continue to work on Scholarships! Many of them will be wrapping up shortly! If you have failed a class prior to us leaving, please make sure you complete it to receive credit for that class!

**Juniors/Sophomores** – Continue sending in to me the Dual Enrollment class registration forms for Fall 2020! If you have questions please refer to previous FB announcements that have the links. You may also go to Central Montcalm's High school webpage (tab on right) and under Counselor Department there is a new tab that says COVID19 Break information that will take you to all information that I post on FB. <https://central-montcalm.org/schools/cm-high-school/counseling-department/covid19-break-information/>

Forms are due 5/31/20! <https://www.montcalm.edu/media/2147/dual-enrollment-handbook-form.pdf>

**9<sup>th</sup>-12 Grades –**

Normally mid April I have Mr. Gothman come in to work with students on Career Cruising. I am happy to announce that we now have a new program called **Xello!** Please view the instruction video provided and I also have attached a couple of worksheets that go along with it! Check it out and let me know what you think! Seniors, I have included you in this too because if you are still undecided as to what you want to do after May, this is a great tool that may help guide you in your process of deciding (or at the very least, thinking about) what you might want to do! I think this is a great resource for every grade level! You will not be scheduling your classes through course planner at this time, but if you want to go into it and just play around with it, feel free.
